

Sticklers® CleanClicker™ MPO Fiber Optic Connector Cleaner

- 600+ cleanings for lowest cost per clean
- Cleans dust, particulate & oil contamination
- Fast click-to-clean of MPO & MTP® connectors in & out of adapters
- Cleans single-mode (8 degree angle) & multimode (flat) MT ferrules, with or without guide pins
- Easy-to-use on data center & high density optical networks
- Use with Sticklers® Fiber Optic Splice & Connector Cleaner fluid (#MCC-POC03M) for heavily-soiled connectors
- Color coded label & packaging minimize error & speed cleaning

The Sticklers® CleanClicker™ MPO fiber optic connector cleaner is the latest innovation in fiber cleaning from the experts at Sticklers. This rugged, precision cleaner uses a smooth click-to-clean push-action, with light contact force to reduce the risk of end-face damage. With 600+ cleans, it is perfect for cleaning connectors in high density network applications such as data centers and telecom central offices. Sticklers CleanClicker cleaners are color-coded to help users quickly ensure they have the right cleaner for the connector at hand.

Engineered for MPO and MTP® multifiber connectors it cleans flat polished multimode and 8 degree angled single-mode connectors. Use with the included adapter cap to clean male (with steel guide pins) and female (no guide pins) connectors.

There's no doubt: Sticklers® CleanClicker™ fiber optic connector cleaners deliver the best cleaning at the lowest cost-per-connector, every time.

Description	Part #	Label Color
