

Klauke[®]

Engineers professional tool-bag

The organized professional
tool-bag

Verbindungen mit **System**
The **Power** of Partnership

Klauke[®]
A Textron Company

Equipped with everything to hand
for all eventualities.

Klauke logo on the front of the bag

Flexible carrying strap

Business card compartment

Detachable interior pocket

The **Klauke Engineers professional tool-bag** from lightweight yet extremely robust Polytex is the best possible tool you can have to deal with diverse, day-to-day requirements. The case has space for all your tools, laptop, documents, mobile phone, business cards and lots more.

The clever system of complete and individual elements, practical layout, carrying loops and adjustable shoulder strap make this all rounder the ideal companion for electricians, fitters and installation engineers.

Adjustable laptop compartment

Practical range of tools

Compact, clearly arranged and versatile. Two large side pockets can be removed from the main bag and used separately. Zipped compartments and a Velcro® compartment provide safe storage of small objects.

A laptop and documents can be easily stowed away in the centre compartment.

Klauke Info Box

Klauke pliers have been recognised by the IF-Product-Design-Award for their ergonomic and safety-promoting design.

Numerous tool compartments
